I asked Karen if =he knew where these items might be stored. She said the rods were =epurposed for GSJ. She said the curtains are in a marked bin. I will =ontinue searching for them today. We may need to reorder both. Karyna - =id Karen order those or did you?

The =ountertops are scheduled for the first week of May. I sent the wire =transfer request to Rich on Friday for the deposit. She needs this =ayment ASAP to order the materials so that they will arrive in time for =nstall. We still need to select color for countertops in tiki kitchen. = will send you more info on that today. If we select this by Friday =hey can also be installed the same week.
