Hi Tabitha,

I would like to proceed with one of these samples for the kitchen cabinets. My client still needs to decide which one he likes, but the color is definitely perfect for the project. Would you be able to send someone to do a proper measure and put together a final design of the cabinets with interior dividers, etc? Thanks very much, [REDACTED]

Hi [REDACTED]

We received the samples. Are you able to pick them up or should we have them sent to the address below?  
Thank you,

Depending when they arrive, I should be able to pick them up in your showroom. If I'm out of town, I will have you send them to me at [REDACTED]. If you could let me know when they arrive and I will let you know whether I will pick up or if you should send. Thanks!
