Hi Karyna,

No problem- we will leave it under your name in a shopping bag for you to pick up.

All the best,

Marina

Dear Marina,

I will be back in New York next week and will stop by to pick up the notepad that I left with you.

Thank you.

Hi Karyna,

I'm afraid that may be the best solution for you at this point. We have been working very hard to try to find a way to keep the costs down but our methods are extremely expensive. 50 pads with 175 sheets each would \$8878. We can further discount this to \$6,435 but that is the maximum we can reduce this.

I have not finalized the quote with our accounting department yet but I am authorizing this for you even though it may still be a bit high for you.

All the best,

Marina

Hello Marina,

I would like to follow up if you have any updates on the quote for the notepad or shall I find another company to do it?

Please advice.

Thank you,

Karyna

Hi Karyna,

Our production manager is still reviewing the quote but I hope to have the options ready by end of today. I just want to let you know that we are still working on this.

All the best,

Marina
