Dear Jeffrey and Sarah,

I looked over the photos that we sent you and I thought it might be easier to view them this way: Please click on this link <http://mw-studio.com/Epstein>

Please let us know that you received them. I hope all is well and that you are enjoying your summer! Best,
Michael

P.S. Please keep in mind that these photos are not retouched. Once you make your 50 selects we will begin retouching.
