Hello Karyna

This email is in regards to your shipment coming from The Coran Shop. Please provide your customs broker contact information and I will turn over documents for clearance or fill out attached Power of attorney giving IBC authorization to clear U.S. Customs and FDA. Contact me with any questions.

The Power of Attorney must be validated. Here are ways the POA can be validated:

1. Provide a copy of the grantor's personal identification. (Driver's license, passport, etc.)  
and a copy of the IRS Letter containing the IRS/EIN Number.
2. Have the Power of Attorney notarized by a notary public.
