Good m=rning, Karyna,

Tha=k you for inquiring. We need two lamp shades for the movie room. See attach=d photos. The old one is rectangular:  
22" x 15 3/4" x 15 3/4".

Also Du=son made some requests: (3) 21 feet pole saw, 3 -extension and (12) hand pr=ners please? See attached  
photos.

Also, could you please work with Mr. Epstein on selecting fa=ric for the banquette since he didn't care for the last fabric.  
Als=, he instructed us to take the Pinto rods down in the Cabanas. He didn't care for them because they were  
black. Would you like us to paint them w=ite? He had also instructed us to take down the curtains prior to that. Cou=d  
you confirm what he or you will want to go in their place?

This is all I can think of in the=moment. If any of these items are not suitable for the plane, we'll=see about ordering  
them.

Hi Stephanie,

Is there anything else we should bring from Florida on Thursday?  
Please check with everyone and let me know.

Thank you very much.
