Good morning, Karyna,

Thank you for inquiring. We need two lamp s=ades for the movie room. See attached photos. The old one is rectangular: 2=" x 15 3/4" x 15 3/4".

Also Dupson made some requests: (3) 21 feet pol= saw, 3 -extension and (12) hand pruners please? See attached photos. =/div>

Also, could you please w=rk with Mr. Epstein on selecting fabric for the banquette since he didn♦=99t care for the last fabric. Also, he instructed us to take the Pinto rods=down in the Cabanas. He didn't care for them because they were blac=. Would you like us to paint them white? He had also instructed us to take d=wn the curtains prior to that. Could you confirm what he or you will want t= go in their place?
