Dear Karyna,

Would you like me to spea= with him? Do you think this is Marc being obstructive or acting on instru=tions from a difficult owner? Frankly I don't understand why they =eed all this information. If an offer is on the table they either accept i= or ask for more. Once a price is agreed, then it's up to the buye= to perform. Only if the buyer fails to perform should they start to be di=ficult.

Let me know if you want me to talk to him.
