How are you? How was your weekend? What did y=u and B do? We had Nora in town- she just left an hour ago. We went out to=the mountains to hike and I got heat rash on da belly it was so bloody hot= we hit 112 on Sat!!!!

Getting excited to head back to NYC this weekend and wanted to check i= with you to see if it would be OK for me to crash at your place on Fri/Sa=? (i don't want to intrude on B again) I don't think i'll get =n until late on Friday (say 10/11) and am taking off at 2 on Sunday.

Psyched to see you again so soon ;)
