**Subject:** Bin Ennakhil

I spoke with Alex Peto (who works with Marc Leon) and he told me that whilst=there were other bids on the table, they still considered your one to be =80 the most serious". So my advice is to stick to your guns. Don =80 t offer anymore and you may still get it. He also confirmed something w= already know, that the owner is extremely difficult and gets worse every y=ar!!!
