I asked Karen if she knew where these items might be=stored. She said the rods were repurposed for GSJ. She said the curtains a= in a marked bin. I will continue searching for them today. We may need t= reorder both. Karyna - did Karen order those or did you?

The countertops are scheduled for =he first week of May. I sent the wire transfer request to Rich on Friday f=r the deposit. She needs this payment ASAP to order the materials so that =hey will arrive in time for install. We still need to select color for cou=tertops in tiki kitchen. I will send you more info on that today. If we se=ect this by Friday they can also be installed the same week.
