Dear Karyna,

<=iv dir="auto">I understand that you want to do this survey. But, on another hand, there is still a competitor.  
For several reasons, I prefer the deal=with you. Nothing related with money or fees.

=very additional day increases the risk to loose the deal.

Did your bank send the requested letter about the origin of the funds ?=I know this is ridiculous due to the  
quality of the buyer, but it is now requested by the banks.

Any comments about the document=.

Kind regards
