Hi Michael, the other apt was going to be [REDACTED], but we are looking into =hanging this apt out with another apt. There is an odd smell in the apt =nd the building has told me they will change it for another apt when =ne comes up. There is no telling when this will happen, so I would not =lan on staying in town to wait for this one.

If you are =orking on [REDACTED] now, would you mind hanging 2 photos for me in 10B? There =s one above the couch and one above the bed. They are both in the apt =itting on top of the couch and on top of the bed. I was going to do it =he other day, but I couldn't find my hammer! If you would mind, that =ould be helpful. Thanks so =uch, [REDACTED]
