wanted you to see the samples of materials I'm going to do for my new apt :-) Top photo is the bathroom tiles.. the wall tiles are the same as Karyna's and the floor tile is the taupe color. The bottom is the wood floor sample, the kitchen floor and backsplash is the tile on the left, and I'm still waiting for the countertop sample, but it is almost identical to the color of the fabric sample on the right. Do you like it all?
