Hi [REDACTED] #22 is not a painting, If it is a charcoal drawin= it is amazingly life like, It looks like a black & white =hoto made to look like a drawing what ever it is it is very realistic. I think it came to the house in 1996 or 1997 I remember GM looking at it= and telling me put it down stairs in the storage room. I only seen it onc= before. It's on of the larger pictures . I hope this helps .Rich =3B
