Hi [REDACTED],

For something that large we could mount directly to the wall. Would that be something you'd be open to?

Hi Bill,

Thank you for this info. I have the rough sizing of the panels which is abo=t 12'x17'. What are the options for something that large?

> \* [REDACTED], have you considered the option of printing a wall wrap with the p=oto (aka wallpaper) which could be an  
entire wall or just a portion depend=ng on his preference - just a thought - could be cool...just let us know i= you want a  
few examples of this option as well.

> Hey Lindsey! I have a work related question. I need to print 3 really big=photos preferably on canvas for my boss'  
house in NY. He wants me to print=a sample photo first 8'x8' to play with the idea of the photo first before=proceeding  
with the final photos. What sort of material can you print a ph=to 8'x8' on? The final photos are going to be even bigger  
than that..will =ry and get exact dimensions today or tomorrow.
