Asia Week NY is now a de=ade old and showing no signs of stopping. As the Asian art market continue= to grow, so do contemporary Japanese ceramics audiences. It has been deep=y satisfying and encouraging to see young faces join the familiar ones. Wh=le some curious visitors come to see and enjoy the works, others are estab=ishing themselves as emerging collectors.

The Kind of Blue exhibit=on is open until Saturday March 23rd but we are here to stay. We encourage=you to visit Dai Ichi Arts, browse our catalogs, and have a cup of tea wit= us. You may have a pottery story to share, and we certainly want to share=our stories with you.
