I don't think he would mind at all.. we would just need to pay him his normal day rate I think for these things.

Would I be able to use him for a couple hours next week to install my ceiling lights, door handles and the little plates that go over the electricity sockets. Do you think he would mind to do all of this?

Hey guys. Michael is done with [REDACTED]. Do we have anymore work for him? I know we still have [REDACTED] pending, but Anthony said he will switch that apt with another one when one comes up, but not sure when that will be. I think we are all caught up at the moment. Do you all agree?
