>> Hello all,

>> I've been put in charge to coordinate everyone for dinner tonight. Eric and Oriane, meet Karen, our friend from Monaco who is in town visiting who will be joining us this evening. Karen, meet Eric and Oriane. Do you guys have a game plan for tonight? What time would you like to meet up? Any preferences for where to eat? I heard rumors we were going to get to see your awesome new pad before dinner tonight. Just let us know what time and where we should meet you and if there is anything I can do to help with reservations, etc.

>> Look forward to seeing you all tonight!
