The information you asked for I am tryi=g to get to you.

In the mean time .=. I have been on the phone with Gene at SBDD and he says we are good to go f=r Monday's haulout. I also emailed and spoke to=Bobby Lamere in PR and he reports that the material for the new cylinders a=d mounts are on the dock in Tampa FL.

Providing=there are no storm delays the material us scheduled to arrive in PR on Wedn=sday of next week. He stated that even though the deposit has not been subm=ttered, the parts/material for the job have been ordered and are on the way.&=bsp;

With help, I hope to have all the numbers reque=ted today.

Good Morning

I spoke to SBDD today and as of this date, all is still on sche=ule to haul Big N on the 27th of this month.

I also Spoke to Bobby Lamere this morning before we left the do=k. He has not submitted his request for the 50% deposit but intends to do s= today or tomorrow as time permits. He informed me that material was ordere= to facilitate the manufacturing of the cylinders and he anticipates a litt=e over a week to recieve the material from when it was ordered.

The short answer to your question, is, It is reported to me that all is in order and on schedule for the Big N haulout.
