in real life mark, marrakesh, is 6 - 10 times cheaper than the US, salaries. land values. . all about the same ratio.=C2♦ a 5 m house in marrakesh is a 25 m in the states. = a 10 million is around 40 - 50 m in the states. . gardners in marrakesh are 300 dollars per month and in the states 3 k♦=A0 per month. .

I don't think anyone who is a serious buyer will pay more for bin enkhil than the original 10 m I proposed 6 years ago, they are buying a garden. with a very large gazebo. . a great one♦=A0 true work of art., but not a house. no young person will buy it and frankly, anyone capable and looking has I believe already seen it. . When Mr Kiss dies. Mrs Kiss will become realistic. until then I wish you well and look forward to your email. In addition can you tell me of any great villa that I might rent for two weeks in late june. or early july =, thx for your time. and I wish you well.
