Subject: AED defibrillators preventative maintenance

Dear =ll,

Our AED =efibrillators are due for preventative maintenance.

After speaking with the =ervice agent it appears the best way for us to proceed would be for =ach of you to schedule maintenance individually for each property. You =ill need to ship the defibrillators to them and they will ship it back =nce the maintenance is done.

Merwin, Carluz, [REDACTED] Ana: please see =he email below and call Cardio Partners number to schedule maintenance. =hey will give you all the necessary information on how to =roceed.

Since this is very important, please =everyone confirm back to me once you have the defibrillators shipped ant =eceive them back from maintenance.

We currently have the following =quantities for each property:

NY x 1 + 1 in the box for the =irplane
Palm Beach x 1
Ranch = 2
Island x 2 (1 on LSJ, 1 on GSJ)
Paris x 1 (I will have to take care of that =eparately)

Please confirm back the receipt of this message. If you have =ny questions, let me know.

Thank you all.

Karyna

It's Time to Service Your AED with Preventative Maintenance

<tr class="">Dear Valued Customer,

It is important that your life saving equipment perform when the need arises. Since your purchase of new Fully Auto LIFEPAK CR+ AED with (1) Carry Case (1) Charge-Pak (2) pads occurred one year ago, we recommend that you contact us to schedule preventative maintenance on your device. This program will not only ensure your AED is performing properly, but also will extend the life of our product.

tr class="">

Other benefits include

- * Keep your facility compliant and out of liability
- * Protect your investment
- * Maintain cost savings on repairs

</tr>

Serial Number: 46183937

Please note: Onsite preventative maintenance available. Ask your service rep about your options.

tr class="">If your device is nearing the end of its warranty period, please also speak with our service reps about extended warranty options to maintain your device in the most cost-effective and compliant manner possible.

Contact us today:

Email: service@cardiopartners.com

Phone: [REDACTED]

Thank you,

The Cardio Partners Team

Onsite preventive maintenance are available for a trip fee. We only recommend this option if the customer has enough units for it to be cost effective. Pricing is determined on location (mileage) and the number of units. If customers only have a few units we explain our free loaner program.
