Thanks ill be there to make sure it goes well. Expect me around =.

I think I upset him last night by asking him about his =chedule in front of boris(mentioning gates and 5:00 tea). I hope to God =hat he will forgive me for that slight blubber of words. I was at the =nd a 22 day stretch and just woke from a plane nap. I did not =nderstand the importance of his confidentiality. Hopefully he's not too =issed at me for this. He gave me a quick warning and I now get it. =br>

I am pleased and happy to cook for him tmrw and whenever he =eeds me.

Francis

S=bject: Re: Tomorrow

JE would like you to do =ome snacky things for tea at 5pm. He said you can make them any time of =he day and just leave them for Lyn to serve. you don't need to be here =t 5pm..

for 2 people, but if you are already making, perhaps make a =it more. thanks

JE asked me to check with you about if he'll need me to =ome or not. I think he was thinking about the 5:00 tea thing. If i do =eed t come by just let me know thanks

Oh and Citi =ar Was a mess last night... the giuy was late and had a car full of =roceries in his car when he picked me up...Just an FYI. Didn't bother =e all that much but seems like a worthy thing to complain about if we =se them again.

Francis
