Hi Soon-Yi,

Jeffrey asked that I send you the proposed menu from our chef for Friday's dinner to get your input/suggestions. Can you please have a look and let me know if there is anything we should remove/add? Thank you!

[REDACTED] Please explain that this is a buffet style menu. If theres any thing they aren't happy with I can make some easy changes

I'm hoping we can get the response on this sooner than later as I will begin preping some of this menu tmrw.

Thank you
