Dear All,

=ur AED defibrillators are due for preventative maintenance.

After speaking with the=service agent it appears the best way for us to proceed would be for each=of you to schedule maintenance individually for each property. You will need to ship the defibrillators to them and they will ship it back once the=maintenance is done.

Merwin, Carluz, Karen, Ana: please see the email below and call Cardo Partners number to schedule maintenance. They will give you all the nec=ssary information on how to proceed.

Since this is v=ry important, please everyone confirm back to me once you have the defibr=llators shipped ant receive them back from maintenance.

We currently have the following qu=ntities for each property:

NY x 1 + 1 in the box for the airplane

Pa=m Beach x 1

Ranch x 2

Island x = (1 on LSJ, 1 on GSJ)

Paris x 1 (I will have to take=care of that separately)

Please confirm back the receipt of this message. If you have any=questions, let me know.

Thank you all.

Karyna
