Subject: Re: STC JE Bath: Toilet

The items stored in this area of CostULess were purchased =or the GSJ staff cottage and would have been coded accordingly. Using it f=r an immediate need at STC is no problem, we just need to repurchase the t=ilet and make the GL adjustment. Daphne, do you have the record of the pre=ious purchase so we can reorder?

Hey Bossman,

You have a new toilet in Cost-U-Less on LSJ.

Would you like me to send this toilet over to STC or should I purchase one =rom Home Depot?

Please advise,
Ann R.
