She got her social security number after 2011 that's why its showing that it's no validate.  
Please, have a look at the last page of her background check,it says that her social may have been issued  
after June 2011 and cannot be validated through this service due to changes made by social security administrative  
changes.

If you like I can ask Nangsal for the copy of her social security and will email you once I have it from her.

As for her reference she didn't want me to speak with her recent reference  
before because she was still working there and but now she gave a notice already so I could call the references.  
I just called Mrs. Vinita and left the message. I will update you as soon as I will  
speak with her.

Hi Tsering,

The trial went very well with Nangsel and we would like to proceed with her. I also called the office earlier and spoke with Lorenz. I had to cancel a trial with Maria tomorrow, since we decided to go ahead with Nangsel.

Thank you very much for your help.
