Bella Klein

Hey Bella..

JE said he will pay for [REDACTED] Karyna and [REDACTED] phone services. He wants them to switch their phone numbers from T-Mobile to ATT so they can get an iphone. they can go under his account. I don't know if that is the easiest most cost efficient way, to go under his account, or if it makes a difference either way.. what do you think? just trying to sort out what makes the most sense
