One of these pearl inlay p=eces might actually work for media center for chill room. I don't know what=dimensions are or what the inside looks like? But we could have Janusz go t=ke measurements of one of the enclosed pieces and take photos of the inside=when he is in PB on the 27th

Do you by chance still have the photos of the Syrian pearl furniture which is in the storage unit in PB? Do you know what's left in there? Karen mentioned there were a few pieces sent to the ranch awhile back. JE wants all the pearl furniture in storage there to be sent to the ranch. I noticed a few pieces are out of the crates.. do we still have the empty crates by chance that they came out of that we can put them back in for shipment?
