Hey [REDACTED] and [REDACTED].. There are some photos I printed for a few frames which are sitting on my desk in my office= They are in the canvas bag that was sent down with JEs things. They are inside the large red envelope along with a bunch of photos of 71st st. Disregard the house photos. There are some very small sizes to fit the tiny frames on my desk. Can you guys please put the photos in the frames pls. Thanks=
