Dear Dr. Moscowitz,

=span>

Jeffrey would l=ke to create a few medicine kits, that he wants to keep in his cars in case=of emergency. He would like to get the following prescription medications:<=span>

-Medrol x 10 prescrip=ions

-Toprol x 10 pr=scriptions

-Sleeping=pills x 10 prescriptions

<=pan>-Strong painkiller x 10 prescriptions

-Epipens x 10

As thes= are only for emergency, Jeffrey thinks 3 pills in each prescription would b= more than enough.

=ould it be possible for you to send a prescription to his pharmacy in New Y=rk please? (His pharmacy is [REDACTED]  
at [REDACTED])

Please advice.

Thank you very much!

Karyna
