Hi Ladies

Kathryn emailed you some time ago about ge=ting together for dinner the Thursday, October 18th prior to her weddi=g. The date is quickly approaching! I've called a couple of pl=ces and learned that the sooner I can make a reservation the better. So...=what I need from you is a firm yes or no as to whether or not you plan to j=in us for dinner in Manhattan on October 18th - the dinner will be in the 6=30/7:00 timeframe. Also - at least one of the places we're consi=ering will require a minimum of \$89/person (excluding alcohol) if we h=ve more than 10 people. If this will be a problem for anyone, plese let me=know. I'll [REDACTED] everyone back with a location and other details once I've=made the reservation.

I may need to put down a d=posit depending upon the number of people for the reservation- so I appreciate yo=r [REDACTED] to me by September 14th with your "yes" or "no".

Thank yo= for joining us - and celebrating with Kate. I know it means a lot to her t= have you there!
