Hi [REDACTED]

Jeffrey is asking how much you currently ma=e in your job.

He would like to try you out for a week tria= period first in NY before hiring you full time. At this time, we would onl= have a need to hire you in NY, and not your husband.

We sh=ould try and figure out a week in which it would work for you to take a week=off from the Post Office in order to do a trial in NY. Please let me know y=ur thoughts.

Thank you,

[REDACTED]

Hi [REDACTED],

I apologize for the late response to your email. I've been working nights and sleeping mostly in day time. Yes, my husband and I are both working in US Postal service. I work nights in the L=high Valley Plant where we sort and distribute mail to numerous post offices in US and outgoing areas. My husband works for the US&nbs=;Postal Service and also as a contractor for a pharmaceutical company.=nbsp; About the job working in NY; Yes I'm really interested working with you guys and my husband is as well. My plan would be to commute back and forth everyday by bus and it takes probably about 2hrs in good traffic.

=div style="font-family: arial, helvetica, sans-serif; font-size: 16px; font-style: normal; background-color: transparent;">>=span>

My main concern would be job security (resigning from USPS in advance while assuming my potential new position working for Mr. Epstein). Please let me know so I=can start making a formal resignation with my job. Thank you so much and I'll do my best effort to work with Mr. Epstein. I'm looking forward to work with you all. Thank you so much again.

Hi [REDACTED]

I've spoken a little bit to Lyn and Mr. Epstein about the possibility of you working for us in NY. Lyn said you would need to commute back and forth everyday from [REDACTED] to NYC due to you having a [REDACTED] at home. Do you know how you would get back and forth? By bus, train? and how long the commute would be for you? I= you are willing to do this, it doesn't bother us. I wanted to get your thoughts on this and maybe we could try and see if it would work for you to work with us?

So I have the correct information, you and your husband both work for the US Postal Service currently? Would it just be you who would want to come work in NY? Please let me know your thoughts and current situation. Thanks so much,

Thank you [REDACTED] what is the best airport for you to fly out of? I will look into tickets for you to fly to Albuquerque or Santa Fe, NM on Aug 9th, returning on Aug 12th. Does this work for both your schedules?
