I did mention to JE that it helped you when you took it, and he said he thinks you need Aderall. I don't know why he thinks this, but that's his opinion. Let me know when you make the appointment so I can tell them that I will pay for it..

I'll try to set up dinner...she is not here yet. I'll let you know when I hear from her.  
Enjoy the island.

hey darling..  
just checking in if Dr. Merrells office got back to you about setting up an appointment after sending in your paperwork?  
Also, did you want to set up dinner or something with your friend this week with you me and B? Maybe Friday night?  
I'm on island now till Thursday night or Friday morning..
