Subject: Re: AED defibrillators preventative maintenance

Hello Merwin, [REDACTED] and Ana,

Please confirm if you received my email about the defibrillators maintenance. =/div>

Thank you.

Dear All,

Our AED defibrillators are due for preventative maintenance. =/div>

After speaking with the service agent it appears the best way for us to proceed would be for each of you to schedule maintenance individually for each property. You will need to ship the defibrillators to them and they will ship it back once the maintenance is done.

Since this is very important, please everyone confirm back to me once you have the defibrillators shipped and receive them back from maintenance.

We currently have the following quantities for each=property:

NY x 1 +1 in the box for the airplane

Palm Beach x 1

Ranch x 2

Island x 2 (1 on LSJ, 1 on GSJ)</=iv>

Paris x 1 (I will have to take care of that separately)<=div>

Please confirm back the receipt of this message. If you have any questions, let me know.
=div class="">

Thank you all.

Karyna

Dear Valued Customer,

It is important that your life saving equipment perform when the need arises. Since your purchase of New Fully Auto LIFEPAK CR+ AED with (1= Carry Case (1) Charge-Pak (2) Pads occurred one year ago, we recommend that you contact us to schedule preventative maintenance on your device. This program will not only ensure your AED is performing properly, but also will extend the life of your product.

=p style="margin: 1em 0px; font-size: 14px; line-height: 22px;" class=""=Other benefits include

- * Keep your facility compliant and out of liability=li>
- * Protect your investment
- * Maintain cost=savings on repairs

Please note: Onsite preventative maintenance available. Ask your service rep about your options.</=>

If your device is nearing the end of its warranty period, please also speak with our service reps about extended warranty options to maintain your device in the most cost-effective and compliant manner possible.

Contact us=today:

Email: service@cardiopartners.com

Phone: [REDACTED]

Thank you,

Onsite preventive Maintenance are available for a trip fee. We only recommend this option if the customer has enough units for it to be cost effective. Pricing is determined on location (mileage) and the number of units. If customers only have a few units we explain our free loaner program.
