There are 2 extra sets of sheets (one set is missing the flat sheet =however) They are on hangers...Lyn will hang the extra sets in the =edroom closet of 10N. Also, Lyn says there are dirty towels in 10N =hat need to be washed and a stained mattress pad that she took off the =ed and thinks it should be thrown away...She put a fresh, clean =attress pad on the bed and made up the bed. So the apt is ready to go =eally... She will put the dirty towels in the closet. I'm sure this =an all be sorted out when you return to NY [REDACTED]
