The garter=is \$93 (includes shipping and tax)- so \$23 per person works. Here it =s so you can see what we're getting her:
<http://www.etsy.com/listing/61771856/goddess-beaded-garter>

The original place I was working on - =ig and Olive - was going to require a deposit but they just told me yesterday=that a group might be buying them out and so they couldn't make the contra=t at this time. So..I went with Kate's second choice - Corsino - no =deposit required so we're good. I'll be sending details to all soon.<=span>

And you're hilar=ous - I actually almost never call her Kathryn - I generally call her Kate=or KK....ha!
