Subject: Hello Angel

It was so great to see you! I am so excited about working with =ou!!!!!!! I invite you to do the assignment Moe set up. I understand =ow difficult this can be, I also realize that part of the healing is in =ut it down on paper and working around the fears that you may have in =nyone seeing it. Maybe if you just did small snippets of your bigger =emories now it would jump start this process?

I would also like you to watch a movie called FINDING =OSEPH...ASAP...you can download it on I tunes...After you watch it =mail me and tell me what your thoughts are.

all my love to you today
