Please, have a look at the last page of her background check, it says that her social may have been issued after June 2011 and cannot be validated through this service due to changes made by social security administrative changes.

If you like I can ask Nangsal for the copy of her social security and will email you once I have it from her.

Good morning Richard,

We are in the process of running a background check on her now. I will email it you as soon as we will get it from our resource.

As for her reference she didn't want me to speak with her recent reference before because she was still working there and but now she gave a notice already so I could call the references.

I just called Mrs. Vinita and left the message. I will update you as soon as I will speak with her.

Best,

Hi Tsering,

The trial went very well with Nangsel and we would like to proceed with her. I also called the office earlier and spoke with Lorenz. I had to cancel a trial with Maria tomorrow, since we decided to go ahead with Nangsel.

Thank you very much for your help.
