We need the retainer to field measure and prepare our drawings.

Once accepted we go to contract the balance of the 50% due at ordering is due then.

Order processing and production from factory is 10-12 weeks o:p>

Shipping and installation is an additional week =/-

Can we get in tomorrow to measure?

Anthony,

Unfortunately we do not accept any credit cards.

I'm happy to accept the signed agreement and then pick up a check on site when we field measure.

Does that help?

Best
