**Subject:** Blanket for Master

Hi, Karyna,

The ladies said that this is the last blanket for the master. The other one unraveled in the wash. Do you want to order another as a backup? Also a reminder - don't forget the extra pillow for the master bed. 📌=A0

Also, I purchased the 5-blade razors for men and women—4 wands - 1 for each cabana and the replaceable ends.

=/div>Thank you,  
Stephanie
