Dear All,

Our AED defibrillators are due for =reventative maintenance.

After speaking with the service agent =t appears the best way for us to proceed would be for each of you to =chedule maintenance individually for each property. You will need to =hip the defibrillators to them and they will ship it back once the =aintenance is done.

Merwin, Carluz, Karen, Ana: please see the email below and =all Cardio Partners number to schedule maintenance. They will give you =ll the necessary information on how to proceed.
Since this is very important, please everyone confirm back to =e once you have the defibrillators shipped ant receive them back from =aintenance.

We =urrently have the following quantities for each property:

2

NY x 1 + 1 in the box =or the airplane
Palm Beach x 1
Ranch x 2
Island x 2 (1 on LSJ, 1 on =SJ)
Paris x 1 (I will have to take care of that =eparately)

Please confirm back the receipt of this message. If you have =ny questions, let me know.

Thank you all.
