Dear All,

Our AED defibrillators are due for preventative maintenance. ;

After speaking w=th the service agent it appears the best way for us to proceed would be for=each of you to schedule maintenance individually for each property. You wil= need to ship the defibrillators to them and they will ship it back once th= maintenance is done.

Since this is very import=nt, please everyone confirm back to me once you have the defibrillators shi=ped ant receive them back from maintenance.

We currently have the following quantities for each=property:

NY x 1 +=1 in the box for the airplane
Palm Beach x 1
Ranch x 2
Island x 2 (1 on LSJ, 1 on GSJ)</=iv>
Paris x 1 (I will have to take care of that separately)<=div>

Please confirm bac= the receipt of this message. If you have any questions, let me know.

Thank you all.
