[REDACTED], do you have an additional trip for [REDACTED] booked to Paris in addition to the Open Skies flight I booked for her on the 8th?

The reason I=can't purchase it is because I have already purchased her a trip to Paris over the same time through Amex and they say they can't double book. The other option is to purchase through Orbitz. [REDACTED] what do you think?

Do you think this will work? It says it is a reservation only and will not be ticketed until ticketing authorisation is received.
