Your order has been placed. The vanity will take about 10-12 weeks. The 4"x24" kitchen backsplash is reserved to your order, I am just waiting on the transfer of the 24"x24" floor tile which should take about 4-5 weeks via container from Spain. Please let me know if you want to wait until the floor tiles come in to pick up the backsplash or if you need that sooner, but your order is processed in full.

Let me know thanks!

Marisa

We have the 4"x24" in stock, but the 24"x24" is only in stock in Spain (4-6 weeks to transfer). If you could not wait, we do have it available in 12"x24". Would that work with your design??

Please let me know thanks!

Marisa

The flooring and black splash for my kitchen will be from Porcelonosa. Avenue White with Lappato finish. The floor tiles should be 24"x24", and the backsplash should be 4"x24" installed horizontally staggered (like how a wood floor would be installed)

The counter top should be Silestone Unsui
