Hey Rich, I'm still working on getting a photo printed for one of the =canvases" in the main stairwell. Currently, he is only having me work =n changing the middle one. I know it will be very tricky, but can you =ork on getting me the exact measurements of this space? It's going to =e a bitch trying to orchestrate printing and mounting of this thing and = want to ensure I have the exact measurements! Janusz and [REDACTED] are =oming back to NY on Thursday and maybe he can help with measuring?

JE is due back in NY Saturday evening, then planning on leaving for =aris on Monday night. Thank you!!!
