Hey ████ .. I sent you a link to a drop box folder entitled "████" It =as three parts to the photo which JE is now thinking for the middle =anvas in the main stairwell. I divided the photo into 3 parts, each =eing 44" wide(since that's the widest our Epson will print) Would you =e able to print the 3 pieces and tape them together and tape up on the =all for him to see? Rich B can help tape it up. He wanted to see it =eally big and that's the only way to do it is to print in 3 big parts.. =Let me know that you got the link OK.. thanks
