Hi [REDACTED],

I apologize for the late response to your email. I've been working nights and sleeping mostly in day time. Yes, my husband and I are both working in [REDACTED]. I work nights in the [REDACTED] where we sort and distribute mail to numerous post offices in US and outgoing areas. My husband works for the [REDACTED]. About the job working in NY; Yes I'm really interested working with you guys and my husband is as well. My plan would be to commute back and forth everyday by bus and it takes probably about 2hrs in good traffic. </=iv>

My main concern would be job security (resigning from [REDACTED] in advance while assuming my potentially new position working for Mr. Epstein). &nbsp;Please let me know so I can start making a formal resignation with my job. Thank you so much and I'll do my best effort to work with Mr. Epstein. I'm looking forward to work with you all. Thank you so much again=

Hi [REDACTED],

I've spoken a little bit to Lyn and Mr. Epstein about the possibility of you working for us in NY. Lyn said you would need to commute back and forth everyday from [REDACTED] to NYC due to you having a 13 year old daughter at home. Do you know how you would get back and forth? By bus, train? and how long the commute would be for you? If you are willing to do this, it doesn't bother us. I wanted to get your thoughts on this and maybe we could try and see if it would work for you to work with us?

So I have the correct information, you and your husband both work for the [REDACTED] currently? Would it just be you who would want to come work in NY? Please let me know your thoughts and current situation. Thanks so much,

[REDACTED]

Thank you [REDACTED]. what is the best airport for you to fly out of? I will look into tickets for you to fly to Albuquerque or Santa Fe, NM on Aug 9th, returning on Aug 12th. Does this work for both your schedules?
