Subject: Taxi

Hi [REDACTED],

I have to take taxi sometimes when I am doing some errands. I haven't been able to keep all my receipts (some of them are on my chase account statement that I can print). What's the best way to do it in future? It is a bit hard to scan and send Bella all the taxi receipts cause there would so many (for instance today I have 2 errands to do - that would be 4 receipts, etc) Thank you
