Hey [REDACTED] and [REDACTED]. There are some photos I printed for a few frames which=are sitting on my desk in my office. They are in the canvas bag that was se=t down with JEs things. They are inside the large red envelope along with a=bunch of photos of 71st st. Disregard the house photos. There are some very=small sizes to fit the tiny frames on my desk. Can you guys please put the p=otos in the frames pls. Thanks.
